

PLANT IDEAS FOR CREATIVE CONTAINERS

ACTIVE ANNUALS

Annuals keep the color coming in container gardens. They have long lasting blooms and many will keep blooming all season when deadheaded.

- African Daisy (Osteospermum)
- Blue Marguerite Daisy
- Dahlberg Daisy
- Scaevola
- Globe Amaranth
- Moss Rose
- Pentas
- Mexican Heather

POWERFUL PERENNIALS

Perennials provide a foundation for container gardens. Their leaves provide a backdrop for the design. Many are very heat/drought tolerant and with proper care will remain year after year.

- Salvia/ Sage
- Coreopsis
- Gallardia
- Penstemon
- Cone Flower
- Yarrow
- Skullcap
- Verbena
- Sedum
- Gaura

FANTASTIC FOLIAGE

Foliage plants provide texture to a container garden. Texture is what carries a design through the season, always performing for you. Soft Sliver varieties add a beautiful accent to any design.

- Artemisia
- Helichrysum
- Lamb's Ear
- Santolina

Many perennials will also provide attractive foliage when not in bloom.

GRACEFUL GRASSES

Grasses bring movement to a container garden. Dancing in the wind and providing height to the design, Grasses make a great central focus for a container design.

- Maiden Hair (Miscanthus)
- Festuca
- Switch Grass (Panicum)
- Angel Hair (Stipa)
- Feather Reed Grass
- Purple Fountain Grass

TERRIFIC TRAILERS

No container is complete without a plant trailing over the edge. They soften the edges of the container and can help lengthen the design.

Sweet Potato Vine

Wire Vine

Purple Heart Vine

Vinca

Creeping Thyme

Ice Plant

Choose trailing varieties of perennials and annuals for cascading flower displays.
